32V432T

32" (Diagonal) Stereo Television

Features	Benefits
One Set of Dual-Functional Rear Input Jacks That Can Be Used For Either a Composite (V+L+R) or Component (YPrPb) Connection	Simplifies connecting another device such as a DVD player or satellite receiver. Dual-functional inputs offer additional versatility.
Side Audio/Video Inputs with S-Video and Rear Audio/Video Outputs	Offer quick connect & disconnect of another device such as a digital camera or game system. A/V outputs simplify connection to an audio device or home theatre system.
Digital 3-Line Comb Filter	Separates black-and-white detail from color information to virtually eliminate edge crawls and rainbow effects while enhancing picture resolution.
Favorite Channel List	Allows selection of up to 5 channels to be programmed into a favorite list which is selectable with one button on the remote.
Electronic On-Screen Notepad	Provides on-screen message reminder. Programmed message pops-up at selected time, or if no time selected, the next time TV is powered on.
Sound Logic™	Provides consistent volume levels throughout programming & channel changes. Eliminates annoying "blast" of sound during some commercial breaks.
On-Screen Clock, Sleep, and Wake Timers	TV can be programmed to turn on or turn off at preselected time periods for added convenience. Wake up to your favorite morning show.
